<b>Deferral Percentage Change Election</b>	
As a current participant in the above referenced retirement plan, I wish to make the following change to my current deferral election. I understand that the 2018 IRS contribution limit per individual is \$18,500. If I am over age 50 before the end of the current year, and the dollar amount or percentage I elect below will exceed the \$18,500 limit this year, I elect to continue my contributions up to an additional \$6,000 as catch-up contributions.	
<input type="checkbox"/> I would like ____% or \$ ____ of my compensation withheld each pay and contributed to my account on a pre-tax basis.	
<input type="checkbox"/> I would like to contribute the maximum amount annually as allowed by the IRS including catch-up contributions (if applicable) until this election is revoked.	
<input type="checkbox"/> I would like to stop contributing to the retirement plan immediately.	
This change is effective beginning ____ (please refer to your Summary Plan Description for allowable dates)	
<b>Separate Deferral Election for a Bonus</b> (by default, if no withholding election is made on a bonus, your normal withholding will apply)	
<input type="checkbox"/> I choose NOT to have ANY amounts withheld from ANY bonuses paid to me moving forward until elected otherwise.	
<input type="checkbox"/> I choose to have my standard payroll withholding apply to any and all bonuses paid to me moving forward until elected otherwise.	
<input type="checkbox"/> I choose to make a special deferral, one-time withholding election for the bonus dated ____ as follows:	
<input type="checkbox"/> I would like ____% or \$ ____ of this bonus to be withheld and contributed to my account on a pre-tax basis.	

*I hereby certify that I have made the above elections voluntarily and independently, and that neither my Employer nor any Fiduciary of this plan has influenced my decision.*
